

## **TERMS OF USE**

All users of Wintech Solution services, and all customers upon signing up for Wintech Solution services, agree to comply with Wintech Solution Terms of Use ("TOU"). The spirit of the TOU is to ensure customers are using Wintech Solution services with due regard to the rights of other Internet users and in conformity with the requirements of Wintech Solution network environment. The TOU are not exhaustive and Wintech Solution reserves the right to add, delete, or modify any provision of its TOU at any time without notice, effective upon either the posting of the modified TOU to [www.siliconhouse.net](http://www.siliconhouse.net) or notification of the modified TOU. Any complaints about a customer's violation of the TOU should be sent to [abuse@siliconhouse.net](mailto:abuse@siliconhouse.net). The TOU supersedes any other agreement with Wintech Solution, whether written, oral, by conduct, or otherwise.

### **A. Wintech Solution Web Hosting & E-commerce Customer Restrictions**

The following Terms of Use apply only to Wintech Solution Web Hosting and E-Commerce customers, and supplement the terms in sections C and D that apply to all Wintech Solution customers:

#### **Support**

Wintech Solution offers support through email and automated service engine. Wintech Solution does not guarantee or apply any time limit for offering such support.

Phone support is available only for corporate accounts and dedicated servers alone.

#### **Server Resources**

Per site do not exceed more than 1 Gb bandwidth per Month.

Any web site that uses a high amount of server resources (such as, but not limited to, CPU time, memory usage, and network resources, mail servers, Ftp servers, Http servers, SQL database servers) reserves the right to suspend that site immediately. This policy is only intended to prevent the misuse of our servers and to avoid interruption in services to other customers. Customers may be offered an option whereby Wintech Solution continues hosting the website for an additional fee.

Wintech Solution will be the sole arbiter of what is considered to be a high server usage level. Any Web Hosting and E-Commerce account deemed to be adversely affecting server performance or network integrity will be shut down without prior notice.

#### **Spamming**

Sending unsolicited bulk and/or commercial messages over the Internet (known as "spamming") is prohibited, regardless of whether or not it overloads a server or disrupts service to Wintech Solution customers. The term "spamming" also includes, but is not limited to, maintaining an open SMTP policy, engaging in spamming using the service of another ISP or IPP and referencing in the spam a web site hosted on a Wintech Solution server, and selling or distributing software (on a web site residing on a Wintech Solution server) that facilitates spamming. Violators will be assessed a minimum fine of Rs.10000 and will face immediate suspension. Wintech Solution reserves the right to determine, in its sole and absolute discretion, what constitutes a violation of this provision.

#### **CGI Scripts / PHP / ASP / and other scripts**

Any scripts that pose a potential security risk or are deemed to be adversely affecting server performance or network integrity will be shut down or will be automatically removed without prior notice. Wintech Solution does not permit CGI Scripts / PHP / ASP / and other scripts sharing with domains not hosted by Wintech Solution or any scripts that may be abused for UCE purposes.

### **Chat Rooms**

Wintech Solution does not allow Web Hosting and E-Commerce customers to install their own chat rooms. Chat rooms tend to require significant system resources and therefore cannot be permitted as an account option.

### **IRC**

Wintech Solution does not allow IRC or IRC bots to be operated by Web Hosting and E-Commerce customers.

### **Software Distribution**

Wintech Solution Web Hosting and E-Commerce accounts are not configured for the purposes of distributing software and/or multimedia products. If you wish to distribute software and/or multimedia files, please contact sales@siliconhouse.net to make special arrangements.

### **Multimedia Files**

Multimedia files are defined as any graphics, audio, and video files. Wintech Solution Web Hosting and E-Commerce accounts are not to be used for the purposes of distributing and storing unusual amounts of multimedia files. Any web site whose disk space usage for storing multimedia files exceeds 30% of its total usage, in terms of total size or number of files, will be considered to be using an unusual amount of multimedia files.

### **Adult Content**

Wintech Solution does not allow the follow material to hosted in any form.

Wintech Solution do not allow any of the following content to be stored on its servers:

**Illegal Material** - This includes copyrighted works, commercial audio, video, or music files, and any material in violation of any Federal, State or Local regulation.

**Adult Material** - Includes all pornography, erotic images, or otherwise lewd or obscene content. The designation of "adult material" is left entirely to the discretion of Wintech Solution.

**Warez** - Includes pirated software, ROMS, emulators, phreaking, hacking, password cracking. IP spoofing, etc., and encrypting of any of the above. Also includes any sites which provide "links to" or "how to" information about such material.

**Fraudulent Activity:** Includes hosting fraudulent offers to sell or buy products, items, or services, or to advance any type of financial scam such as "pyramid schemes," "ponzi schemes," and "chain letters."

### **B. Wintech Solution Dedicated Server Customer Restrictions**

The following Terms of Use apply only to Wintech Solution Dedicated Server customers, and supplement the terms in sections C and D that apply to all Wintech Solution customers:

#### **Customer Security Responsibilities**

The customer is solely responsible for any breaches of security affecting servers under customer control. If a customer's server is involved in an attack on another server or system, it will be shut down and an immediate investigation will be launched to determine the cause/source of the attack. In such event, the customer is responsible for the cost to rectify any damage done to the customer's server and any other requirement affected by the security breach.

## **IRC**

Wintech Solution does not allow Dedicated Server customers the use of IRC in Wintech Solution Network.

## **Billing for Network Resources**

The customer understands that the customer is responsible for paying for any network resources that are used to connect the customer's server to the Internet. The customer may request that the customer's server be disconnected from the Internet, but the customer will still be responsible for paying for any network resources used up to the point of suspension or cancellation.

## **C. All Wintech Solution Customer Terms of Use**

The following Terms of Use apply to ALL Wintech Solution customers:

any other Wintech Solution services that are used by customers, whether offered or provided by Wintech Solution to customers.

### **Ownership of Web Site**

The legal owner of customers' web sites and accounts with Wintech Solution will be the individual or organization whose name is listed in Wintech Solution database as the owner. Customers will fully cooperate with and abide by any and all of Wintech Solution security measures and procedures in the event of any dispute over ownership of customers' web sites and accounts with Wintech Solution.

### **Mysql Database Usage**

Under Reseller Account, if any website uses more Mysql database (above 100 mb). Then account has to be upgraded to Corporate Account or Higher Package.

### **Illegal Use**

Wintech Solution servers may be used for lawful purposes only. Transmission, storage, or distribution of any information, data, or material in violation of any applicable law or regulation, or that may directly facilitate the violation of any particular law or regulation is prohibited. This includes, but is not limited to: copyrighted material; trademarks; trade secrets or other intellectual property rights used without proper authorization; material that is obscene, defamatory, constitutes an illegal threat, or violates export control laws. Additionally, in purchasing Wintech Solution services, all Wintech Solution customers certify that they and/or the organization they represent in procuring services from Wintech Solution are not, nor have been designated, a suspected terrorist as defined by the Constitution of India; are not owned or controlled by a 'suspected terrorist' as defined by the Constitution of India; and are not on, are not a member of, related to, associated with, or controlled by any organizations listed as terrorist by the Govt. Of India.

### **Spamming**

Sending unsolicited bulk and/or commercial messages over the Internet (known as "spamming") is prohibited, regardless of whether or not it overloads a server or disrupts service to Wintech Solution customers. The term "spamming" also includes, but is not limited to, maintaining an open SMTP policy, engaging in spamming using the service of another ISP or IPP and referencing in the spam a web site hosted on a Wintech Solution server, and selling or distributing software (on a web site residing on a Wintech Solution server) that facilitates spamming. Violators will be assessed a minimum fine of Rs.10000 and will face immediate suspension. Wintech Solution reserves the right to determine, in its sole and absolute discretion, what constitutes a violation of this provision.

### **System and Network Abuse**

Violations of system or network security are prohibited and may result in criminal and civil liability. Examples of system or network security violations include, without limitation the following: unauthorized access to or use of data, systems or networks, including any attempt to probe, scan or test the vulnerability of a system or network or to breach security or authentication measures without express authorization of the owner of the system or network; interference with service to any user, host or network including, without limitation, mail bombing, flooding, deliberate attempts to overload a system and broadcast attacks; forging of any TCP-IP packet header or any part of the header information in an email or a newsgroup posting.

### **Viruses and Other Destructive Activities**

Use of Wintech Solution services or equipment for creating or sending Internet viruses, worms or Trojan horses, or for pinging, flooding or mail bombing, or engaging in denial of service attacks is prohibited. It is also prohibited for any customer to engage in other activity that is intended to disrupt or interfere with, or that results in the disruption of or interference with, the ability of others to effectively use Wintech Solution services and equipment (or any connected network, system, service or equipment) or conduct their business over the Internet.

### **Privacy**

Wintech Solution is concerned with the privacy of on-line communications and web sites. In general, the Internet is neither more nor less secure than other means of communication, including mail, facsimile, and voice telephone service, all of which can be intercepted and otherwise compromised. As a matter of prudence, however, Wintech Solution urges its customers to assume that all of their on-line communications are insecure. Wintech Solution cannot take any responsibility for the security of information transmitted over Wintech Solution facilities.

### **Customer Responsibility**

Customers are required to use the Wintech Solution network responsibly. This includes respecting the other customers of Wintech Solution. Wintech Solution reserves the right to suspend and/or cancel service with any customer who uses the Wintech Solution network in such a way that adversely affects other Wintech Solution customers. While Wintech Solution may monitor its service

electronically to determine that its facilities are operating satisfactorily, as a general practice, Wintech Solution does not monitor its customers' communications or activities to determine whether they are in compliance with the TOU. However, when Wintech Solution becomes aware of any violation of the TOU or other user agreements, Wintech Solution may take any action to stop or correct such violation, including, but not limited to, denying access to Wintech Solution services and equipment or to the Internet. In addition, Wintech Solution may take action against a customer or a customer of such customer because of the activities of such customer. Wintech Solution anticipates that customers who offer Internet services will cooperate with Wintech Solution in any corrective or preventive action that Wintech Solution deems necessary. Failure to cooperate with such corrective or preventive measures is a violation of Wintech Solution policy and Wintech Solution reserves the right to take any such action even though such action may affect other customers of the Wintech Solution customer.

Wintech Solution and its , affiliates and associates shall not be liable, at any time for damages (including, without limitation, damages for loss of business projects, or loss of profits) arising in contract, tort or otherwise from the use of or inability to use the Service, or any of its contents, or from any action taken (or refrained from being taken) as a result of using the Service or any such contents or for any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communications line failure, theft or destruction or unauthorised access to, alteration of, or use of information contained on the service. No representations, warranties or guarantees whatsoever are made as to the accuracy, adequacy, reliability, completeness, suitability or applicability of the information to a particular situation. You agree that Wintech Solution has no responsibility or liability including but not limiting to the deletion, corruption, loss or failure to store any messages or content / data maintained or transmitted by any Wintech Solution Service. You acknowledge and agree that no compensation shall be payable whatsoever with respect to the aforesaid by Wintech Solution. WİNTECH SOLUTION MAKES NO WARRANTY THAT THE SERVICE WILL BE UNINTERRUPTED, TIMELY, SECURE OR ERROR-FREE.

#### **Actions Taken by Wintech Solution**

The failure by a customer to meet or follow any of the TOU is grounds for account deactivation. Wintech Solution will be the sole arbiter as to what constitutes a violation of the TOU. Wintech Solution reserves the right to remove any account without prior notice and to refuse service to anyone at any time. When Wintech Solution becomes aware of an alleged violation of its TOU, Wintech Solution will initiate an investigation. During the investigation, Wintech Solution may restrict a customer's access in order to prevent further potentially unauthorized activity. Depending on the severity of the violation, Wintech Solution may, at its sole discretion, restrict, suspend, or terminate a customer's web hosting account and/or pursue other civil remedies. If such violation is a criminal offense, Wintech Solution will notify the appropriate law enforcement authorities of such violation. An unlisted activity may also be a violation of the TOU if it is illegal, irresponsible, or constitutes disruptive use of the Internet. Wintech Solution does not issue credits for any outages incurred through service disablement. Violators of the policy are responsible, without limitations, for the cost of labor to rectify any damage done to the operation of the network and business operations supported by the network, and to respond to complaints incurred by Wintech Solution.

#### **Indemnification**

#### **Third Party Licenses**

Wintech Solution makes a reasonable effort to provide customers with technologies, developments, and innovations (collectively “Technologies”), part of which may be licensed, or co-branded, from or by, third party entities. However, Wintech Solution makes NO warranty of any kind, either express or implied, regarding the quality, accuracy, reliability, validity, or continued existence of any or all aspects of such Technologies. Moreover, Wintech Solution specifically disclaims all warranties of merchantability and fitness for a particular purpose for such Technologies. Furthermore, no customer will hold Wintech Solution liable in any way for the revocation of any license, which has been licensed to Wintech Solution. The use of the Technologies obtained from or through Wintech Solution, or any other referred third party, whether directly or indirectly, is at the sole risk of customers.

### **Non-Wintech Solution Products**

Any mention of non-Wintech Solution products by Wintech Solution, its employees, or any third party entity related to Wintech Solution is for information purposes only and does not constitute an endorsement or recommendation by Wintech Solution. Wintech Solution disclaims any and all liabilities for any representation or warranty made by the vendors of such non-Wintech Solution products or services.

### **Wintech Solution Intellectual Property**

Customers will not, without Wintech Solution express written consent, copy, reproduce, republish, or otherwise use any material, in whole or in part, that is located on Wintech Solution web site, and customers will not use any of Wintech Solution trademarks, service marks, copyrighted materials, or other intellectual property without Wintech Solution express written consent. Customers will not, in any way, misrepresent their relationship with Wintech Solution, attempt to pass themselves off as Wintech Solution, or claim that customers are Wintech Solution.

### **Assignment**

Customers may not assign or delegate their rights or obligations under the TOU or other agreement for Wintech Solution services, either in whole or in part, without the prior written consent of Wintech Solution.

### **Minimum Age Requirement**

Wintech Solution customers must be at least 18 years of age. Any individual under the age of 18 years (“Minor”) must have a parent or guardian accept the TOU in order for the Minor to become a Wintech Solution customer. A parent or guardian who accepts the TOU on behalf of a Minor will be primarily liable for ensuring complete and proper compliance with the TOU, including the timely and full payment of the charges for Wintech Solution services, and such primary liability will continue even when the Minor has attained the age of 18, unless the parent or guardian obtains Wintech Solution express written consent to the contrary. Any acceptance of the TOU or any other agreement for Wintech Solution services will be deemed null and void to the extent that Wintech Solution will not be liable in any way as a result of the Minor’s age or legal incapacity or the Minor’s use of Wintech Solution services.

### **Governing Law and Severability**

The TOU, and any other agreement for Wintech Solution services, will be governed by and construed in accordance with the laws of the State of Tamil Nadu, India without reference to its conflicts of laws principles. Any litigation or arbitration between a customer and Wintech Solution will take place in Chennai, and the customer will consent to personal jurisdiction and venue in that jurisdiction. If any provision or portion of the TOU or other Wintech Solution agreement is found by a court of competent jurisdiction to be unenforceable for any reason, the remainder of the TOU or the agreement will continue in full force and effect.

### **Force Majeure**

Wintech Solution will not be liable for delays in its performance of the TOU or Wintech Solution services caused by circumstances beyond Wintech Solution reasonable control, including acts of God, wars, insurrection, civil commotions, riots, national disasters, earthquakes, strikes, fires, floods, water damage, explosions, shortages of labor or materials, labor disputes, transportation problems, accidents, embargoes, or governmental restrictions (collectively "Force Majeure"). Wintech Solution will make reasonable efforts to reduce to a minimum and mitigate the effect of any Force Majeure. Notwithstanding anything contained elsewhere herein, nor will any event of Force Majeure suspend any obligation of customers for the payment of money due.

### **Independent Contractors**

Nothing in this Agreement will be construed as creating a partnership or relationship of employer and employee, principal and agent, partnership or joint venture between Wintech Solution and its customers. Each of Wintech Solution and its customers will be deemed an independent contractor at all times and will have no right or authority to assume or create any obligation on behalf of the other, except as may be expressly provided herein.

### **Construction and Interpretation**

Wherever in this TOU the masculine, feminine, or neuter gender is used, it will be construed as including all genders, and wherever the singular is used, it will be deemed to include the plural and vice versa, where the context so requires. The division of the TOU into sections/paragraphs, and the insertion of headings/captions, are for convenience of reference only and will not affect the construction or interpretation of the TOU. Any rule of construction to the effect that any ambiguity is to be resolved against the drafting party will not be applicable in the construction or interpretation of the TOU.

### **Complete Agreement and Exclusivity**

The TOU, and/or any other specific agreement for Wintech Solution services, constitutes the complete understanding and agreement between Wintech Solution and its customers. Except when expressly agreed to the contrary in signed writing by an authorized representative of Wintech Solution, the TOU supersedes any other written (including digitized/computerized) agreement, oral agreement, and/or agreement by conduct. This TOU, and/or any other specific agreement for Wintech Solution services is between Wintech Solution and its customers only and will not confer any rights in any third party except as otherwise expressly provided by Wintech Solution.
